Maggie's Wish

Maggie wished she had a dog. Her mom said 9
she couldn't have one because they're too much 17
trouble. Maggie knew it was useless to keep 25
asking. 26

One rainy night, Maggie heard scratching at the 34
door. There in the darkness sat a little dog with 44
sadness in its eyes. Maggie took the helpless dog 53
into the warmth of the house. She dried off the 63
dog because it was soaking wet. 69

"May we keep the dog? I think it's homeless." 78
Maggie asked. 80

"You have to try to find its owner first," said her 91
mom. 92

The little dog was quiet as it slept in a cozy 103
corner on a blanket. The next day, Maggie put an 113
ad in the paper. No one claimed the dog. 122

Maggie's mom let her keep the dog because 130
Maggie showed it such kindness. Because the 137
dog's fur had such softness, Maggie named her 145
Fluffy. Maggie loved her priceless little dog. 152
